INTRODUCTION

Philosophy

The Board believes that student activities provide opportunities for students to practice and demonstrate the attributes of the Profile of a Graduate. As such, the District shall encourage participation in student activities, engage students through inclusive and collaborative experiences, and allow students the opportunity to create and participate in student organizations and student groups.

Purpose

The District's Fine Arts Program Handbook provides procedures and guidelines governing District Fine Arts programs. The basis for these procedures and guidelines includes the Texas Education Code, FBISD Board of Trustee Legal and Local policy, District Administrative Regulations, Texas Education Agency code, University Interscholastic League rules, and the historic practices of the District and Fine Arts Department. This handbook does not supersede the aforementioned documents; rather, it intends to clarify practices for administrators, teachers, parents, and students.

Fort Bend ISD Mission

Fort Bend ISD exists to inspire and equip all students to pursue futures beyond what they can imagine.

Fort Bend ISD Vision

Fort Bend ISD will graduate students who exhibit the attributes of the District's Profile of a Graduate.

Fine Arts Department Mission

The Fort Bend ISD Department of Fine Arts exists to inspire artistry and equip students to reach their full potential, thus creating opportunities without boundaries.

Fine Arts Department Vision

Fort Bend ISD will be the premier school district for Fine Arts education in the nation.

Fine Arts Department Values

FINE ARTS DEPARTMENT CORE BELIEFS & COMMITMENTS

Core Belief 1: All individuals possess innate artistic potential, which is best developed...

...through the creative process.

Commitment: FBISD Fine Arts will foster the creative process in all students.

...in an environment of trust.

Commitment: FBISD Fine Arts will ensure safe learning environments that encourage risk taking and individuality.

...through opportunities for artistic expression.

Commitment: FBISD Fine Arts will provide artistic opportunities for students to stretch and explore the full range of their abilities.

Core Belief 2: Teaching a love for the Arts empowers students to develop skills for life, which is best accomplished...

...by impassioned Artist-Teachers.

Commitment: FBISD Fine Arts will recruit, develop, and retain teachers who will inspire a love for the Arts.

...with the appropriate tools.

Commitment: FBISD Fine Arts will provide resources to grow students creatively and artistically.

...through effective teaching and learning.

Commitment: FBISD Fine Arts will meet the artistic needs of a diverse population through effective instruction.

...by cultivating the attributes of the Profile of a Graduate.

Commitment: FBISD Fine Arts will nurture skills essential for future success through a rigorous Arts curriculum.

Fort Bend ISD Profile of a Graduate

A Fort Bend ISD Graduate has a rigorous academic foundation, strong character, and is...

- ...equipped with skills for life.
- ...a servant leader.
- ...an effective communicator.
- ...a critical thinker.
- ...a compassionate citizen.
- ...a collaborative team member.
- ...a life-long learner.

The study of the Arts equips students with higher-order thinking skills, fosters character traits, and develops the traits listed in the FBISD Profile of the Graduate...

...equipped with skills for life

Participation in the performing and visual arts promotes skills such as creativity, collaboration, critical thinking, and communication. Daniel Pink declared in his groundbreaking book, *A Whole New Mind*, the ability to think conceptually and creatively is an indispensable skill for the 21st Century workforce. Studying the Arts develops these cognitive abilities exponentially. The Arts prepare students for careers yet to be invented and removes boundaries for future success.

...a servant leader

Leadership is fostered through all Artistic disciplines. In Band courses, drum majors, drill instructors, and section leaders learn how to assist with limited teaching responsibilities and lead by example during summer leadership training. In Dance Team courses, student officers attend a one-week summer camp alongside their directors to develop their leadership skills and hone their ability to write and teach choreography. Performing Arts programs develop leaders by electing officers, assigning roles such as stage, equipment, and costume/uniform managers, and promoting participation in honor societies such as the National Art Honor Society and Tri-M Music Honor Society.

...an effective communicator

Students communicate both verbally and non-verbally in cooperative communities of Artists. Student-artists evaluate their own and their peers' work, offer descriptive feedback, and revise their performances through collaborative goal setting. Performing Arts student leaders motivate and manage large groups of their peers through public speaking and other effective communication skills, developing self-confidence.

...a critical thinker

Performing Arts disciplines are skills-based: engaging in the continuous improvement cycle, evaluating one's performances critically, and accepting constructive feedback with a growth mindset in service of improving one's Artistic skills are essential dispositions students acquire through studying the Arts. Performing Arts disciplines are both process- and product-oriented: products flow from the process; therefore, students are able to learn concepts quickly and apply them flexibly in many contexts. Process skills transfer to all real-world applications. Student-artists can think critically and problem-solve on the spot, making rapid adjustments in new performance spaces or using different media.

...a compassionate citizen

Students enrolled in Performing Arts programs regularly volunteer their time to complete community service projects. Artistic creativity is uniquely human. The sensitivity learned through studying the Arts

generalizes to our citizenry and motivates compassionate action in service to the community. Artists not only observe their current environment, they visualize future possibilities. Our student-artists perform nationally and internationally; travel affords a wider perspective on life.

...a collaborative team member

Performing artists work together to create a unified product, whether it is a marching band show, a theatrical production, a dance recital, or a large musical ensemble. Students with diverse backgrounds, abilities, and experiences work together to create a unified performance. Student-artists respond sensitively to their peers by making critical adjustments in the moment such as humoring the pitch during a musical performance, shifting spacing during a dance recital, or altering a theatrical role during a play.

...a life-long learner

Students simultaneously draw from both hemispheres of the brain, joining logical-sequential intelligence with holistic-intuitive thinking to create Artistic products. Studying the Arts instills a wonder for life and a sense of curiosity. The Arts fulfill students' need for creativity and inspire them to see beyond their limited experiences.

ELEMENTS COMMON TO ALL FINE ARTS PROGRAMS

About this Handbook

This handbook is a resource of information on the procedures and activities of this District's Fine Arts programs. Program directors issue this handbook to student members and parents in order to provide basic information in regards to the instructional program. All student members and parents are responsible for familiarizing themselves with the contents of this handbook and must complete and return the enclosed Handbook Signature Form and Emergency Contact Form in order to participate in the program. This handbook functions in harmony with the FBISD Board policies, administrative regulations, and the FBISD Student/Parent Handbook. This handbook is a living document.

Attendance

Most Fine Arts courses require some rehearsals and performances outside of the school day. Student members are required to attend *all* activities, rehearsals, and performances. Those who must miss a rehearsal, activity, or performance must consult with one of the directors *WELL IN ADVANCE* of the function. In every case, the director will work with the student to see that his/her best interests are met. Keep in mind that a performance has priority over a practice in any activity.

Absences

Students' absences are categorized as follows:

- An excused absence is one that the director has prior knowledge of and/or is based on an acceptable reason.
- An unexcused absence is one that the director has no prior knowledge of and/or is based on a reason that is unacceptable.

Written communication and documentation is required for absences from required/graded events. Acceptable reasons for an absence include a medical emergency or illness, a death in the family, a religious holiday, or a family emergency. Circumstances *may* justify an excused absence for reasons other than those listed above in accordance with District policy. However, justification is determined at the discretion of the directors and no absence is guaranteed to be excused. Scheduling conflicts are not considered acceptable reasons for an absence.

Failure to notify directors well in advance of an excused absence will constitute an unexcused absence. Multiple unexcused absences from rehearsals and/or performances demonstrate a lack of dependability in accepting the responsibility of group membership. Failure to attend a rehearsal, activity, or performance without prior permission or good cause may result in suspension from future activities or performances, grade deduction, reassignment to a lower performing ensemble, or removal from the course.

Grade Deductions

Students may have points deducted for unexcused absences as follows:

- Unexcused absence from rehearsals or practices that are extensions of classroom activities such as section rehearsals = two daily grades.
- Unexcused absence from a performance that is an extension of classroom activities, such as school concerts or UIL Concert/Sight-reading Evaluation, which do not meet the definition of extracurricular = two major grades.

Rehearsal/Performance Schedules

Program directors will e-mail or post a calendar of rehearsals, performances, and activities for the upcoming year on a website, Charms Office, or Schoology during the summer break. Directors will provide a revised calendar at the beginning of the school year, post it on Charms Office, or post it on Schoology. Please check the calendar and report any conflicts to the directors. Attendance at all performances and rehearsals is a requirement of the class. If an excused absence is anticipated, written notification should be submitted as soon as the student/parents are aware of the conflict and no later than two days in advance of a rehearsal or at least two weeks in advance of a performance (see excused absence above).

Audition Procedures

Prior to the academic school year, ALL students will audition for placement in one of the program's performing arts classes. This placement will be determined by an audition on materials selected by the director, consideration of the student's past performance, and/or recommendation from previous director(s). Students auditioning for the top performing ensembles or groups may be required to meet additional prerequisites of the organization(s) concerning grade level, audition material, and past performance. No position is guaranteed in any ensemble to any student, regardless of a student's seniority, ability, or other merit. The directors reserve the right to move a student to a different ensemble if they deem it necessary for the student or the ensemble. Any student that does not complete the audition process will be placed in the appropriate entry-level class. Director placement is final and non-negotiable.

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. No qualified disabled student shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any District service, program, or activity.

The District takes steps, including the provision of supplementary aids and services determined appropriate and necessary, to provide nonacademic and extracurricular services and activities in the manner necessary to afford children with disabilities an equal opportunity for participation in those services and activities. Any student with a disability requiring reasonable accommodations for participation in any District service, program, or activity should contact their campus to request a meeting of their student's Section 504 committee or ARD Committee. Questions regarding District policies and procedures can be addressed to Dr. Deena Hill, Executive Director of Student Support Services, at 281-634-1143 or Deena.Hill@Fortbendisd.com.

Parent Booster Clubs

The main objectives of the program's parent booster club is to support and enhance the instructional program and to provide program communication to students and parents. The booster club does not take any role in determining program or educational decisions. All parents are encouraged to become members of the booster club. Participation is optional. Attendance at all performances and meetings is encouraged. There are various expenses necessary to run a quality Fine Arts program, which may not be covered by the District. Such expenses include expert clinicians, contest fees and expenses, meals for students, student leadership conferences, student scholarships, etc. The vast majority of the booster club budget is spent on educational activities. We encourage all parents and students to participate in booster club fundraising activities throughout the school year.

Conduct and Due Process

Organizations with high performance standards also must have high disciplinary standards. Students represent themselves, their family, their community, their District, and their school at every activity. All students are to conduct themselves properly at all times. Display of temper, profanity, flagrant violation of rules, possession of or being under the influence of drugs or alcohol, etc. will not be tolerated. *Any* behavior

that is not conducive to good citizenship will subject the student to “Due Process” that may result in *dismissal* from the organization. “Due Process” shall be defined as a student’s right to discuss with the instructor and principal any decision regarding action that would result in the student’s loss of grade, suspension from activities, or expulsion from the organization.

Due Process will be followed precisely as outlined in the FBISD Student/Parent Handbook. Students and/or parents may discuss any item of concern with their respective directors at an appropriate time in the appropriate place. If a satisfactory resolution has not been reached, the students/parents may contact the student’s grade-level principal to discuss the matter further. If the concern has not been resolved either by the directors or by the grade-level principal, the parents may contact the campus principal to address their concern.

Online Decorum

Students and parents must maintain a high standard of online conduct, which will include ensuring that student member websites are appropriate. The internet is a worldwide, publicly accessible form of communication. Any communication such as Facebook, Twitter, Instagram, TikTok, emailing, texting, or other online forums, etc., appearing on the internet is public domain, even if it is marked private. Members are responsible for their personal websites and postings, as well as posting from or on other students’ websites. The areas of appropriateness will include, but are not limited to: profane, foul, or disrespectful language (abbreviated or alluding to), pictures, suggestive poses, clothing, references to alcohol, drugs, and/or tobacco, and postings (either verbal or photos) that could be interpreted as negative or threatening towards other District teaching staff or students, or that demonstrate poor sportsmanship or a disrespectful attitude towards other programs. Student members will not post in the comments section on any social media as representatives of the instructional program, school, or District. Any such incident will result in review by the director (or designee) and may lead to probation or dismissal from the instructional program.

Student members that violate the above internet guidelines shall be subject to the following:

- Upon confirmation of a first violation, the member will be asked to remove any offensive items from the website(s) and will be asked to give an apology and plan of action to deter this behavior to the principal, directors, and student members. Parents/guardians will be contacted and made aware of the offensive behavior. The student also may be suspended from performance for the next 20 days.
- Upon confirmation of a second offense, students will be suspended from performances for the next 40 days.
- Upon confirmation of a third offense, the member will be removed from the instructional program.

ELIGIBILITY

Academic Eligibility Rules

A student shall be suspended from participation in all extra-curricular activities sponsored or sanctioned by the District during the three-week period following a grade reporting period in which the student received a grade lower than seventy (70) in any class other than an identified eligibility-exempt high school course. This suspension continues for at least three weeks and is not removed during the school year until the student's grade in each class, other than an identified eligibility-exempt high school course, is seventy (70) or greater. A student may continue to practice or rehearse with other students for an extracurricular activity but may not participate in such an activity until the suspension is lifted. A suspended student may regain eligibility seven days after the grading period ends or seven days after a three-week evaluation period.

Additional Eligibility Rules for High School

A student must meet the following requirements in order to participate in extracurricular activities during the first six weeks of the fall semester.

- NINTH GRADE – PROMOTED from the eighth grade to the ninth grade.
- TENTH GRADE – earned at least five (5) state approved credits toward graduation.
- ELEVENTH GRADE – earned at least ten (10) state approved credits toward graduation, or during the preceding twelve months he/she must have earned five (5) state approved credits.
- TWELFTH GRADE – earned at least fifteen (15) state approved credits toward graduation, or during the preceding twelve months, he/she must have earned five (5) state approved credit.

Extracurricular

An activity is considered extracurricular if any one of the following criteria apply:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered to be extracurricular;
3. The activity is held off campus, except in the case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Co-Curricular

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills (TEKS) in a public performance, may participate in the performance subject to the following requirements and limitations:

1. Only the extracurricular criterion #4 listed above applies to the performance; and
2. The requirement for student participation in public is stated in the essential knowledge and skills (TEKS) of the course.

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

Eligibility Rules Relating to UIL Competition

No student may take part in any University Interscholastic League competition who, at the time of the contest, has not been a bona fide regular attendant of the school for fifteen (15) calendar days, or since the sixth day of the current school year. No student shall take part in any UIL contest after the end of the fourth consecutive year following enrollment in the ninth grade, and/or third consecutive year following enrollment in the tenth grade.

No school may issue and no student may receive an award for participation in inter school competition in excess of \$50.00 (or the equivalent in value) during his/her high school enrollment in the same high school. Additional symbolic awards not to exceed \$8.00 each may be presented for each additional inter school activity each year.

Students must abide by all other rules as set forth by the University Interscholastic League in Austin, Texas.

GRADING

Learning objectives are based on performance skills, responsibility, and participation. Therefore, students are expected to fulfill individual as well as group responsibilities. Since Fine Arts courses are a performance-based, team activities, all students are required to attend all performances, and rehearsals (see Attendance above).

Daily Grades (50%)

Daily grades may include but are not limited to daily class participation, preparation, written quizzes, performance quizzes, material checks, posture checks, as well as before and/or after school rehearsals. All before/after school rehearsal, which are an extension of classroom activities such as section rehearsals, are counted as two daily grades.

Major Grades (50%)

Major grades may include but are not limited to performance tests, written tests, co-curricular performances, and special projects. All performances, which are an extension of classroom activities such as school concerts, are counted as two major grades.

Motivational Plan/Reluctant Students/Retesting

- Students will be encouraged to demonstrate proficiency on core competencies. Students will be given regular graded assessments in order to provide opportunities for director feedback. Students may be asked to perform in class individually or as a member of a small group to demonstrate proficiency of core competencies.
- Directors or peer tutors will work with reluctant students in a one-on-one tutoring situation to re-teach concepts and encourage reluctant students to demonstrate proficiency on core competencies.
- Students may retest as many times as necessary in order to demonstrate proficiency on assessments. No points on numerical grades will be deducted when retesting. Directors will update grades accordingly upon demonstration of proficiency through re-retesting until the last day of the current nine-week grading term.

Conduct Grades

- A student merits a conduct grade of “E” when he/she consistently fulfills all classroom expectations.
- A student merits a conduct grade of “S” when he/she regularly fulfills most classroom expectations.
- A student merits a conduct grade of “N” when he/she does not fulfill classroom expectations regularly and director feedback is occasionally necessary.
- A student merits a conduct grade of “U” when he/she does not fulfill classroom expectations, is disruptive to the educational process, and director feedback is necessary regularly.

CLASSROOM MATERIALS

Individual Equipment

In order for our instructional programs to operate at the highest level, students may be required to purchase some materials, such as instruments, accessories, uniforms, notebooks, method books, scripts, art supplies, computer programs or apps, as well as practice wear including shoes, undergarments, and shirts in order to participate in Fine Arts courses. Students may have purchased some items at the middle school and would not need to “upgrade” in high school unless they no longer are adequate (defective, too small, etc.). Some items are instrument specific. We expect all instrumentalists to have working instruments and equipment. A student cannot be successful in learning an instrument if their instrument or equipment is not working properly. The District does not provide insurance for individually owned equipment.

The District will not deny participation to any student in any Fine Arts program where the cost of individual equipment and/or materials required for the course becomes a financial barrier for the students and parents. Please contact the program director if financial assistance is needed to purchase required equipment and/or supplies for the program.

Personal Instruments

A quality music program requires quality musical instruments. A list of recommended instruments is available from the program directors. If a purchase is required, the staff will be most happy to consult with the student and parents in order to avoid an inappropriate purchase and to assist in obtaining the best possible price for the instrument. Please consult with the directors before making any purchase of a musical instrument or accessories, as there are countless “knock-off” alternatives to high-quality instruments, which will require frequent maintenance and leave the students dissatisfied with progress. With all personal instruments, it strongly is recommended that the instrument be insured through your homeowner’s policy or a private company. The school district will not assume liability for maintenance, repair, or damage of personal instruments.

School-owned Equipment

The District furnishes school-owned instruments for purposes of avoiding large expenditures to the parent and providing well-rounded instrumentation for the performing organizations. Students must provide some of their own personal accessories such as mouthpiece, various mutes, drumsticks, mallets, and reeds. Each student member is financially responsible for all instrument, equipment, and/or materials checked out to him/her for their personal use. All students using a school-owned instrument are required to pay an Instrument Use Fee of \$80 per year to the District. The student is responsible for damage to the instrument while in his/her possession. Directors will inspect all school-owned instruments at the end of the school year. Student will not be charged for repairs if the instrument becomes damaged due to normal wear and tear. However, damage caused by fire, theft, accidental destruction, abuse, or neglect will be charged to the student. All equipment and materials must be kept in their proper storage location when not in use. Students who use a school-owned instrument will be expected to practice the instrument a reasonable amount of time each day. Failure to do so may result in their instrument being taken up and re-issued to a student who will make better use of it.

Instrument Lockers

All Band and Orchestra students will be assigned a locker for instrument storage during the school day. Students are to keep only their instrument and music in the locker. Students should not keep clothing, shoes, schoolbooks, food, or drinks in their lockers; these items should be kept in school lockers. Directors can/will remove any of these items and/or other belongings from the instrument locker at their discretion. It is the responsibility of the student to ensure their instrument is secured in their locker with a locked

combination lock when not in use. Students must have a lock for their locker – no exceptions. If a lock is misplaced, the student is expected to replace it quickly. Instruments will be taken home daily, over weekends, and school holidays. The District is not responsible for personal items or instruments left in instrument lockers.

MEDICAL FORMS

All Fine Arts students must complete the *FBISD Emergency Contact Form* each year. This form provides consent to treat students if the director or a medical provider cannot reach the parent or guardian. The *FBISD Emergency Contact Form* must accompany students when traveling. No student will travel or perform with the organization without these forms on file. Head directors will track student compliance in *Charms Office*.

All Band and Dance Team students must submit the *UIL Preparticipation Physical Evaluation – Medical History* form each year. The head director will review and sign off at the bottom of this form each year. This form also must accompany students when traveling. Head directors will track student compliance in *Charms Office*. This form does not replace the *FBISD Emergency Contact Form* listed above; it accompanies it.

All students participating in the Marching Band activity (including Color Guard students) or Dance Teams must have a physical examination prior to participating in outdoor rehearsals. Starting in the 2020-21 school year, only freshman and juniors, as well as any students new to the program, are required to have physical examinations. Proof of the physical is the *UIL Preparticipation Physical Evaluation – Physical Examination* form, which must be signed by a physician or certified medical professional with the provider's office stamp or business card affixed to the bottom of the form. The head director will enforce compliance with the UIL Marching Band Physical requirement and track student compliance in *Rank One*.

Physical examinations must be completed by an authorized medical provider on or after April 1 to be valid for the next school year. Many insurance companies pay for one wellness check per year. Students should schedule their wellness check in order to complete their preparticipation physical examination after April 1 and prior to the first Marching Band or Dance Team rehearsal. This includes any May or June "Mini-Camps", Leadership Camps, Percussion Camps, Freshman Camps, Dance Officer Camps, or Dance Team Camps held prior to August 1. Students can obtain a physical examination either by their physician/authorized medical provider or by Houston Methodist at one of the in-District dates/locations.

The physical examination required is considered a "screening physical." The Houston Methodist physicals require no blood, urine, or genital checks. EKG's may be required if indicated by a review of the Medical History form; however, very few students are required to complete the EKG test.

Students are not allowed to attend any rehearsals or performances without the *UIL Preparticipation Physical Evaluation – Medical History* and the *UIL Preparticipation Physical Evaluation – Physical Examination* forms being completed appropriately and submitted to the head directors.

REQUIRED EXPENSES AND FEES

Members of the instructional program may have financial obligations for required materials, such as a uniform or t-shirt, software, activity expenses, member dues, and trip expenses. No student will be denied the privilege of membership or participation in the program when the cost of required expenses and fees becomes a financial barrier. Parents should contact the head director to discuss options in meeting financial obligations or if financial assistance is needed.

Program Fees

Fees are non-negotiable and non-refundable. See specific campus program Addenda for a detailed description of required fees. Any student who voluntarily or involuntarily withdraws from the program will forfeit all deposited funds.

Fund Raising

Fundraising is a vital component to the campus instructional program in order to provide a healthy variety of activities for student members. The money raised is used for program activities, which are not covered by the Fine Arts budget. Families that do not participate in fundraisers strongly should consider donating to the campus instructional program, as all students benefit from the raising of funds.

In compliance with Internal Revenue Service mandates, all monies earned through fund raising activities belong to the organization's general fund and will be dispersed equally among all student members participating in the activities of the instructional program. There are no refunds granted from fund raising activities.

Refund of Fees

Trip funds may be non-refundable depending on the specific trip payment agreement and date of request. Trip Insurance is available; however, insurance does not cover ineligibility due to failing grades. Any student who voluntarily or involuntarily withdraws from the instructional program will forfeit all deposited monies. Any student's parent may appeal in writing the decision of the staff concerning refunds. Any appeal of this nature must be submitted to the Head Principal.

PRIVATE LESSONS

The District prides itself on having many of the finest private instructors in the Houston area. It is highly encouraged that students take full advantage of the private lesson program. Private lessons are provided for interested students as an enrichment program in all Music and Theatre classes. Private study is encouraged, but not required, to participate in the instructional program. The advantages of a one-on-one experience are overwhelming. Private lesson fees are consistent throughout the District and determined by the Director of Fine Arts. The current fees are between \$20-25 per half hour lesson, based on the qualifications of the private instructor. Private lessons are held either during class or after school. Campus program directors hire, supervise, and evaluate their private lesson instructors. Each private lesson instructor must complete a Criminal History Check and pay a Building Use Fee.

MASTERCLASSES AND GUEST CLINICIANS

As an enrichment to students, masterclass teachers and guest clinicians are scheduled to work with our students during some Fine Arts classes. Masterclasses are offered free of charge to students. Additionally, guest clinicians often travel to work with our students in rehearsals or sectionals. Students are expected to show the utmost respect towards these guest clinicians and masterclass teachers. Any student who acts inappropriately towards a guest clinician or masterclass teacher, whether through poor attitude, disrespectful comments, foul language, or any other inappropriate behavior, maybe subject to immediate removal from the instructional program at director's discretion and subject to due process.

TRANSPORTATION

If a student is required to leave from an event or activity during a school trip, the parent/legal guardian of the student must provide written notification to the instructor prior to the student leaving on the trip and the student may leave from the activity only with their parent/guardian as stated in the written notification. Students may not leave any activity during a school trip with anyone except a parent or guardian. A telephone call confirming the written notification also may be requested.

TRAVEL

Parents and students should understand Fine Arts organizations may be involved in out-of-District travel; students who participate in these organizations also must participate in the travel. This may include a limited number of overnight trips for some competitive events. If the parent does not want the student to travel, the student should register for an organization that does travel so extensively.

All members represent the school and community and they are expected to conduct themselves in a manner in keeping with the following regulations when traveling within or outside the District:

- Return to the director(s) all completed travel forms by the given deadline;
- Be on time for trips;
- Dress as directed;
- Behave in an appropriate and mannerly fashion in accordance with established Student/Parent Handbook rules while on the bus or in other vehicles, as well as in restaurants and hotels;
- Avoid excessive noise on the bus ;
- Travel on the same bus for all segments of the trip;
- Return equipment to its proper storage place upon returning to the school; and
- Promptly obey all instructions given by the director(s) or any chaperone.

Any student who behaves disrespectfully or argues with a parent chaperone while on a trip may be removed from the trip immediately at director's discretion, and parents will be expected to either pick up their student or pay any transportation costs to send the student home.

Overnight Travel Requirements

- Extracurricular trips are not mandatory for any member and will not affect their status or grade in the course in any way. However, students in performing ensembles do have a travel expectation. Additionally, travel to events such as contests, UIL Concert/Sight-reading Evaluation, UIL One-Act Play Contest, Dance competitions, is mandatory. Since participation in our instructional program is a team effort, any student not participating in a trip should advise the directors well in advance of the trip (a minimum of nine weeks). The directors then can initiate alternate arrangements to cover for missing students.
- When traveling, each student must meet all local and state eligibility requirements to participate in the competition. Ineligible students may not travel with the performing group under any circumstances.
- Students must be able to perform the material assigned for the performance(s) satisfactorily.
- Students must attend all scheduled rehearsals in preparation for the trip.
- Students must fulfill their financial obligations.

UNIFORMS

It may be necessary to purchase some materials for uniformity of dress for performance purposes. The District provides uniforms for high school music groups, which are mandatory for participation in performances. The individual student must provide uniform accessories as appropriate. No student will be denied the privilege of membership or participation in the program when the cost of the uniform becomes a financial barrier. Parents should contact the head director to discuss options in meeting financial obligations or if financial assistance is needed. Students are responsible for repair or replacement of any damaged or unreturned uniform parts.

- Concert uniforms may require minor alterations such as adjusting the hem of the pants or dress. Ensure the hem simply is raised or lowered, and that no material is removed from the garment. Students will provide black dress socks, ties, cummerbunds, and undergarments; however, tuxedos and dresses are provided.
- Marching Band uniforms will be stored at school and issued before each performance. These uniforms will be returned after each performance prior to leaving the school. Students are responsible for providing personal accessories to their uniform. These accessories may include gloves, marching shoes, undershirt, t-shirt, etc.
- Dance Team uniforms may be provided at some schools, while other schools may require student members to purchase their own uniforms or uniform accessories, as well as practice clothing.
- Participation in theatrical productions may require a costume rental fee or fee to cover the costs of building a costume.

TECHNOLOGY USE

The director will be very clear in letting students know when it is or is not acceptable to be using personal devices during class time. If a device is visible when not allowed, it may be confiscated.

SCHOLOGY

Schoology (pronounced *skoo-luh-jee*) is the District's learning management system and the primary tool for facilitating blended learning. It is a platform for learning, accessing the curriculum and communicating authentic online learning experiences with parents. It offers students multiple avenues for collaboration, communication, assessment, submitting assignments and discussion boards.

CHARMS OFFICE

Charms Office is an online database, which among other things, allows for the tracking of student medical forms and District-owned inventory such as instruments, equipment, and uniforms, sheet music, and play scripts. Additionally, students can make payments for program fees, instrument use fees, and other materials through the Charms Office online store. To access Charms Office, you will need the school program code and a password. Students will receive their password from the directors once school has started. Once in Charms Office, student and parents will have access to a variety of information and forms. Within the first few weeks of school, all classes will be trained in the use of Charms Office.

AUDIO/VIDEO RECORDING

Throughout the year, Fine Arts groups will make audio and video recordings of rehearsals and concerts. These recordings will comply with Texas Education Code, Sec 26.009 subsection (b) which states:

- (b) An employee of a school district is not required to obtain the consent of a child's parent before the employee may make a videotape of a child or authorize the recording of a child's voice if the videotape or voice recording is to be used only for:
 - (1) purposes of safety, including the maintenance of order and discipline in common areas of the school or on school buses;
 - (2) a purpose related to a co-curricular or extracurricular activity;
 - (3) a purpose related to regular classroom instruction; or
 - (4) media coverage of the school.

SECTION 5 – HIGH SCHOOL THEATRE

Introduction

Theatre is a group activity that depends upon the collaborative work of many individuals. The actions of one person will have an effect, either positive or negative, on the entire group. For this reason, we have guidelines and procedures that everyone must follow so that each person may grow as an individual theatre artist and make a positive contribution to the entire group.

*The mission of the theatre, after all, is to change.
To raise the consciousness of people to their human possibilities.*

-Arthur Miller

*The word theatre comes from the Greeks. It means the seeing place.
It is the place people come to see the truth about life and the social situation.*

-Stella Adler

*School theatre is a place where students can become someone other than who they are on the way to
becoming who they will be.*

-Howard Sherman

Philosophy of Theatre Education

The study and performance of theatre is an opportunity that our young people truly need. It is not our goal as teachers to make professional artists of our students, but rather it is to enable them to enjoy fully the life-long benefits of making art. The skills learned in our school theatre program — self-discipline, increased self-esteem, group cooperation, commitment, responsibility to self and to a group, and teamwork — will be reflected in a successful adult life. Knowing that great performances are the fruits of a considerable investment in preparation, hard work, and lessons learned from failure, the opportunity to enjoy a new level of communication and self-expression is the goal for every theatre artist, young or old. Creativity is within us all, and theatre serves as the perfect vehicle for this journey in personal growth and in the development of knowledge and skills.

What you should expect from the Director

We the directors understand that your time is very valuable; therefore, we will communicate with you as far in advance as possible for any events, rehearsals, performances, and contests. We will communicate this with students and parents in a variety of ways. It will often be verbal; also, there is an online calendar accessible through the District website. We will do our best to construct the calendar so that major theatre events, such as performances, do not fall on school-sponsored events. Please keep in mind that performances take priority over a “practice” of any other activity. The regular production rehearsal schedule will be different. If or when conflicts arise, please understand the necessity of informing the directors well in advanced. This will give time to resolve or work around conflicts in a timely manner. In return, the directors pledge to you that we will do the same. We will also attempt to work around other campus activities, but cannot guarantee that there will be no conflicts.

What the Parent brings to Theatre

Parents play an integral role in the success of our theatre program as well. Parents can be sure that everyone understands the expectations and important dates by reading through the theatre handbook, discussing it with your student, and reviewing it during the school year. Performance and rehearsal attendance is key to encouraging a student’s success. Children enjoy showing off their talents by

performing for parents and friends. Parents enjoy attending performances where they can notice improvement and admire their child's hard work knowing that their time and efforts are beneficial.

Parent Responsibilities

The involvement of theatre parents is crucial to student success and that of the theatre program. These suggestions to parents will help students be successful!

- Attend every performance to see your child's progress. (The theatre students love hearing parent applause!)
- Help your child arrive on time to all theatre performances, rehearsals and events.
- Pick up your child at the stated end of all theatre events.
- Volunteer and assist with theatre activities throughout the year.
- Regularly check our online calendar and reminders for announcements and updates.
- Take time to read this handbook and any theatre newsletters with your student(s) noting all events.
- Create a personal calendar, along with your child, that will help anticipate future events and avoid schedule problems.

Rehearsal Attendance

- The general schedule of rehearsal times, including a list of mandatory dates, will be made available prior to auditions. All dates are tentative and subject to change. Timely notification will be given for any changes.
- Rehearsal is a grade in a Theatre Production course. Missing rehearsal results in a missing grade that must be made up according to the campus make up work policy.
- Students must arrive promptly for all rehearsals, workshops, crew calls, and performances.
- Students should arrange for transportation home when student duties are completed. Students that consistently fail to be picked up within 15 minutes of the end of rehearsal or performance may be removed from the production. FBISD Police may be called if students are not picked up within 30 minutes of the end of an activity.
- With advance notice, absences may be excused at the discretion of the director. Tutorials, appointments, notes from parents etc., are not an excuse for absence. Personal illness requiring medical attention, death in the family, or other serious problems will be considered as an excused absence. Students who are ill for more than three days will need to provide a doctor's note. If in doubt about the nature of an absence, the student should consult the director.
- Students who have an unexcused absence will be expected to make up missed time within one week of the absence. Failure to do so will result in a failing grade for that rehearsal.
- The director reserves the right to reassign students within the company based on attendance.
- Students who receive an unexcused absence from a performance will be considered for removal from the program.

Rehearsal Expectations

Rehearsals will be professional and productive. All company members must put in 100 percent during rehearsals in order for a production to be excellent. Here are some basic expectations to ensure the process runs smoothly:

- **You are expected to be at every rehearsal, dress rehearsal, and performance.** Being involved in a show is a COMMITMENT. Conflicts will be considered on a per case basis only.
- **Be early to rehearsals.** You want to give yourself time to let go of your day and prepare mentally and physically for a focused rehearsal. Feel free to warm up on your own, and be prepared to begin rehearsal exactly on time.
- **Bring everything you need and dress appropriately.** Bring scripts, pencils, rehearsal shoes/clothes/hairbands, water, and something on which to take notes.
- **Rehearsals are CLOSED to visitors.** Permission may be granted on a case-by-case basis.

- **Be a part of the ensemble.** A strong production means everyone has to put in full effort. Do not hold back during read-throughs, warm-ups, blocking, working etc. This is the time to *experiment*.
- **Stay in the rehearsal room.** If you need to leave the room for any reason, make sure you inform the stage manager as to your whereabouts.
- **Casual and excessive talking is not allowed during the rehearsal.** If the company is on a break, you may talk outside of the rehearsal space. Others may be working while on break and we need to keep a focused space.
- **Be off-book by the required deadline.** No excuses.
- **Do your Actors homework.** Actor homework is *crucial* to a performance. Even though you may not be asked to hand anything in, we can tell if you have done it or not when you perform.
- **Actors waiting to work are strongly urged to use their time productively.** Memorize lines, review blocking, or read materials related to the production.
- **Be helpful.** If you see someone trying to set the stage or clear the stage, jump up and help. If you have offered to bring something from home for a production, BRING IT.
- **Be patient.** Be patient with yourself, with fellow actors, with technicians, with your directors. Producing a show can be very trying. During a rehearsal, it is NOT appropriate to call out suggestions from the stage or audience! Directors will solicit suggestions.
- **Notes!** You should develop a trust with your director and understand that their job is to be the eyes of the production. Please accept each note with a “thank you” and write it down. Appropriate and respectful behavior is expected during notes sessions.
- **Do not give other actors notes.** It is *unprofessional* and *unacceptable* to criticize or offer suggestions about a fellow actors’ performance *at any time!*
- **Everyone helps strike.** Every student involved in a production is required to help strike the show at the appointed time. If we do not take care of what we have, we will not be able to use it again!
- **Stay Hydrated and take care of yourself.** Water is always encouraged at rehearsals... please no food or other drinks except in appropriate areas and appropriate times.
- **Recording Devices** – filming of any kind is not permitted during classes or rehearsals without approval of the directors and those being filmed.
- **Drugs, Alcohol, and Tobacco are strictly prohibited.** Any student found with prohibited substances on their person or under the influence will be removed from rehearsal. Any violation may cause you to be removed from a production, activity, or privilege associated with the Theatre Department. Campus administration will be informed and proceed with disciplinary action.

Theatre Etiquette

When you enter the theater, you agree to the following things:

- You agree to be on time. Theatre happens in the moment. It is LIVE. You cannot rewind it. Arriving 20 minutes before show time is the standard rule.
- If you are late, you agree to wait until a break in the action on stage to be seated. Finding your seat after the show has begun causes a disruption, which not only distracts those in the audience, but those who are performing on stage as well.
- You agree to look your best. Show respect for the work by looking nice and neat. Hats should never be worn in the theatre.
- You agree to use the restroom before the show starts to avoid getting up and disrupting the performance while it is happening.
- You agree not to talk or whisper during the show. Whispering distracts those around you, even the actors. In addition, you might miss something!
- You agree not to talk to the actors while they are performing. Again, this is a live performance and the actors are concentrating on giving you the best performance possible.

- You agree to participate. This includes laughing at appropriate times, clapping in appreciation for the things and actors you like, and doing other things when invited by the actors to do so. It also means paying attention to what is going on by listening and watching closely.
- You agree to turn off all cell phones, watches, game boys and other gadgets that may make noise or light during the show. No headphones either! These can be just as disruptive as talking!
- You agree not to take pictures or use recording devices of any kind during the show. The material performed on stage is copyrighted material, and therefore protected under copyright law from reproduction of any kind without written permission.
- You agree not to eat or drink anything while the show is going on. Candy wrappers make more noise than you think during a quiet moment on stage and the noise is very distracting to other audience members.
- You agree to keep your hands to yourself. Touching other people during the show is distracting, and may lead to talking.
- You agree to keep your feet on the floor. Please be courteous and respectful of your surroundings.
- Finally, you agree to give the actors a full curtain call. A curtain call is the actors' final bow at the end of the performance. It is your opportunity to show your appreciation for what they have shared with you. Please wait until all the actors have taken their final bow before exiting the theater.

Costumes, Props, and Other Equipment

- Students are responsible for the care of all costumes, props, or any other equipment that has been assigned.
- Students are responsible for all personal items that they bring into the theater (i.e. electronics, makeup, clothing, etc.).
- Items in need of repair must be reported to the appropriate technician before the end of the rehearsal session.
- All equipment must be turned into the assigned technician in a timely manner.
- Guests may be greeted in the lobby only after costumes have been removed and all equipment checked in.
- Good hygiene must be observed before putting on costumes. Body spray and perfume are not a substitute for cleanliness and deodorant.
- All props must be returned to the prop table after use.

Scene Shop and Tech Booth Safety Rules

- Think before you use any tool or perform any task.
- Ask a director to approve all work.
- Ask if you are ever unsure.
- Know the location of the telephone, fire extinguisher, and first aid kit.
- Wear closed toe shoes. (Keep them here if you need to.)
- Avoid loose fitting clothing, wearing jewelry and tie back long hair. Roll long sleeves above the elbow.
- Wear safety glasses when operating power tools.
- Keep the floor and work space clean and free of obstructions.
- Use the proper tool for the proper job.
- If scenic, lighting, or equipment materials get out of control and begin to fall, let them fall and call out a warning ("HEADS").
- Ask for help when carrying heavy or unwieldy objects. Communicate with that person about where you are trying to go.
- Report ALL injuries to one of your directors, no matter how small.
- Report any tools and equipment that does not seem to be working properly.
- No food or drinks in the shop. Bottled water in the auditorium only.

- Obtain permission from the director before using any power tool.
- Never use a tool you are not trained to use.
- Clean up each project at the end of the workday.
- A clean shop is a safer shop.
- Only tech personnel may be in the booth during rehearsals, technical rehearsals, and performances.

Directors have the right to remove any student from a show due to lack of commitment or professionalism.

Theatre Productions Course Placement

- Students must apply, audition and be accepted to high school Theatre Production classes. The decision for admittance to the course is based on the campus directors' criteria for acceptance and may include completion of prior theatre courses, participation in previous campus productions, dependability, work ethic, etc. Directors have the final call on accepting students to this special class.
- Students accepted to the Theatre Productions course are expected to participate fully in the campus theatre arts program including after school rehearsals and performances. Students not cast as performers in a play are expected to support the production in crew capacity.
- Ineligible students may still be required to attend rehearsals and support the production in a crew capacity but will not be able to participate in performances as a performer or crewmember.
- Students not meeting course expectations may be considered for removal if campus policies and master schedule allow.

Play Auditions/Casting

- There is never a guarantee of casting for anyone.
- Casting decisions will be made by the directors and is solely their decision.
- Casting decisions will not be discussed and feedback on auditions can be requested on an individual basis.
- Students auditioning for a play should be prepared to accept any role offered.
- A final note on casting: In order to prepare students for the high school and outside theatre opportunities, our casting procedures in the theatre department mirror casting procedures in the professional world. Please understand that casting is difficult and done very carefully. Success in this career depends upon the ability to not take casting decisions personally (no small accomplishment), to always do your best and show the most professional side of yourself at all times.

International Thespian Society Information

Why Become a Thespian?

Thespians receive the highest recognition due those who have demonstrated commitment and excellence in their school's theatre program – membership in the world's largest theatre honor society. Thespians enjoy the sense of belonging and recognition inherent in being inducted into an honor society. Thespian membership encourages students to practice their craft and to grow as a person. The skills that they learn from a quality theatre arts education – creativity, self-confidence, leadership, communication, interpersonal skills as well as specific theatre skills – will benefit them in their school days and beyond. Thespians are eligible for scholarships on the State and International levels, have the opportunities to attend International Festival and State conferences, and may hold leadership positions by serving on their State student boards or as one of our International Thespian Officers. The organization is known internationally and colleges will recognize it on applications. If you end up staying in theatre, this could be an important networking tool for you.

Thespian Admission Requirements

1. Earn 10 Thespian points by participation in theatre department activities (see **Thespian Point System**).
2. Be involved as a cast or crew member in **two** campus productions.
3. Pay a \$35.00 *lifetime* membership fee.
4. Participate in the optional orientation process for Our Troupe.
5. Participate in the Candlelight Induction ceremony.

Membership Fee: \$35.00 (Includes a one-year subscription to *Dramatics Magazine*)

Graduation Cord Fee: \$22.00

Awards

Awards will be presented to theatre students based on a point system for completion of participation and service throughout tenure in the theatre department program. Points will be awarded based on the recommended International Thespian Point System. Students must earn 40 points for a student to receive an Award Letter and to be eligible to purchase a letter jacket. Students advancing the state level in the UIL One-Act Play or Theatrical Design contests are automatically eligible to receive an Award Letter and may purchase a jacket. A student may receive only one major award for combined activities during the student's four years in high school. A student may not receive two letter awards in the same year for participation in theatre activities.
